We've heard today what God says to us in the Bible, crafted together into a letter.

If you were to write a letter back to God, what would you say?

Why not take some time to have a go today.

A large, empty scroll-shaped frame for writing a letter. The frame is composed of a thick black line that forms a rectangular shape with rounded corners. The top and bottom edges are slightly curved. On the left side, there are two decorative scroll-like elements: one at the top left corner and one at the bottom left corner, suggesting the scroll is unrolled. The interior of the frame is completely blank, intended for a person to write their letter.
