Hughenden Parish Magazine  
StMichael and All Angels

***July and August 2012***

## Welcome

The fact that you are reading these words suggests that you are a new reader of this magazine. Either you are a newcomer to this area or you are a visitor.

If you are a visitor, we hope that you have enjoyed your visit to our church; that you have found it interesting, instructive and conducive to prayer. If you are going to be here at one of our regular service times, we hope that you will join us in the worship of God and we ask that you take our greetings back to your own church.

If you are new to this Parish, we bid you welcome and invite you to join us and share in the fellowship of God's family in Hughenden. This magazine gives details of the regular times of worship here. We hope that you will find something to meet your spiritual needs. The printed word is cold and remote and we would like to make personal contact with you, so please leave your name and address in the box at the back of the church.

Whoever you are who reads these words, may God bless you, sustain you and protect you, your family and friends, now and always.

## July and August 2012

**Dear Readers,**

I wonder how often each of us stops and 'counts our blessings'?? We are VERY good at complaining about almost anything; for example the weather, - too much rain/too cold/too hot/drought etc. etc.; other people's behaviour – stand-offish/too friendly/unhelpful/rude/over-bearing etc. etc. But in every situation there are blessings to be found if only we open our eyes to them. It's been raining so that means we don't have to water the garden; I have been unwell, but I have found out how many friends I have who wanted to help/visit /send cards etc.; the dishwasher has broken down, so whilst standing at the kitchen sink washing up by hand, I have had the opportunity to observe more closely the birds that visit our bird feeders – what a joy!!

In the same vein, the Youth Task Group have been counting the blessings of growing numbers of children joining in with JC Club activities on Sunday mornings at 10.45; but that means we need some more people to volunteer to join the team of leaders. Yes, I know you are all busy and being a leader takes a bit of time, BUT the blessings gained far outweigh the effort put in. As someone who has been working with children on Sunday mornings in this church and others, for about 30 years, I ALWAYS come out of a session having learned something from the children. See the article in this magazine for more about JC Club.

We cannot complete this edition of the magazine without reference to the Olympics!! In the Prayer Points, from this month's "24/7 Prayer for Wycombe", my attention was brought to the 70 Day Prayer Relay which is accompanying the Torch Relay – get more details from [www.morethangold.org.uk](http://www.morethangold.org.uk) and don't forget that the torch is in this area on 9<sup>th</sup> and 10<sup>th</sup> July.

I hope that you can find some blessings to count during the next two months!

## From the Curate's House July 2012

By the time you read this, I will have completed my first year of 'curacy' as 'deacon' at St. Michael and All Angels. What an incredible year it has been for me. I do appreciate that as 'curate' I have the best role, with the opportunity to try lots of things out, without the responsibility that Simon has of ultimately being in charge. It has been a real privilege to get to know so many members of the church over the year. Thank you all for your patience as I continue to ask you to remind me of your names! As a church family, it has been lovely to celebrate good times together, wedding anniversaries, birthdays, baptisms and weddings. We have also faced times of sadness and my thoughts turn to those who continue to struggle with illness and those who grieve the loss of loved ones. If asked to pick a few highlights of the year, what would they be? Telling the Christmas story using chocolate bars for the Cub Service? Seeing the 10.45am worship band grow? Being intellectually stretched by the 'Test of Faith' course? Seeing people grow in faith

through the Alpha Course? The opportunity to speak at Hughenden School and at Pipers Corner? Discovering Evensong? Taking my first Baptism? It must be all of the above and more.

As a curate, I am very much still 'in training' with Saturday study days to attend as well as completing modules for a Post Graduate Diploma. My first module on 'Theological Reflection' has been passed (one down and five to go). I am now working on the second module 'Spirituality'.

Looking forward to the year ahead: I will have been 'priested' at a service held at RAF Halton on Sunday 24<sup>th</sup> June. The job description of a 'priest' is fairly scary so it's a good job that one does not have to rely on one's own ability! The most visible differences are, that I can now play a fuller role in Communion Services and take weddings.

Here is a snippet from the service held in June:

*With all God's people, they are to tell the story of God's love.*

*They are to baptise new disciples in the name of the Father, and of the Son, and of the Holy Spirit, and to walk with them in the way of Christ, nurturing them in the faith. They are to unfold the Scriptures, to preach the word in season and out of season, and to declare the mighty acts of God. They are to preside at the Lord's table and lead his people in worship, offering with them a spiritual sacrifice of praise and thanksgiving. They are to bless the people in God's name. They are to resist evil, support the weak, defend the poor, and intercede for all in need. They are to minister to the sick and prepare the dying for their death. Guided by the Spirit, they are to discern and foster the gifts of all God's people that the whole Church may be built up in unity and faith.*

I especially like the last part about fostering the gifts of all

God's people. When I joined St. Michael's last year, my intention was to see what God was already doing and to join in. There are so many gifted people and it is really encouraging to see God using these gifts in such a variety of ways. There is a real desire to connect and be relevant to the local community. With that in mind, I am especially looking forward to Hughenden Village Day on 14<sup>th</sup> July, where St. Michael's will have an all age 'Prayer Trail', supported by our Youth Task Group. I would like to take this opportunity to thank everyone at St. Michael's for their welcome, support and encouragement. I have learnt so much in this first year from you all, and I look forward to what the coming year has in store.

## **Right Royal Thank You**

I salute you! Susan, Neil and Ben Brice, Arthur Johnson and Jean Godfrey for your dedication and devotion to Queen and Country. We would not have had such a wonderful experience, over that most memorable weekend, without your vision (not to mention the hours you put in) and the good will you mobilised, with such grace, throughout the congregations.

I have got a photo, of the splendid array of cakes, which may appear next month (due to my technical in-expertise), tasted by many and I believe raising £1000 for charity. No photo could capture the loveliness of cold stone, stained glass, and fragrant flowers Jean presided over, and we have all been enjoying them ever since. As for the Festal Evensong, that was the "jewel in the crown" for me, it was a service put together with such care by Ben, and delivered with such concentration, prayer and joy by the rest of us. I was so pleased to see so many in the congregation too, wearing their best, there to soak up the music and the reverie. If you were not able to attend, imagine a trumpet fanfare, the swelling resonance of the organ and the soaring voices of the choir. We had all that, and we were glad. Let's hope Will and Kate have a baby and we can celebrate again next year!

## **Churchyard Clear Up**

The day is Friday 20 July from 5pm onwards. In recent years the local lodge of Freemasons have, as part of their charitable work, come along with enthusiasm to help make our churchyard neat and tidy.

Although a few stalwarts from our congregation have also helped, it would be great if more people who worship at St Michael's would attend, and help make God's Acre cared for.

The inducements are a BBQ and real ale for the workers (gratis).

Hedge cutting, weeding and strimming are among the chores that need your help.

## Parish Prayer Cycle

Do you start out with good intentions about praying, and then tail off when you run out of ideas as to what to include?

This matter was raised at a Leadership Team meeting earlier this year, particularly with the 4P's initiative in mind. As a result of the discussion Chris Tyrer and I agreed to put together a list of topics for prayer, that can be addressed in both a Weekly, and Monthly, cycle.

The resulting Parish Prayer Cycle is printed on the other side of this page and is designed to be torn out of the magazine. The page can then be kept close at hand in weeks and months to come, to be used to assist your prayers and ensure that no aspects of the local community, or the Church are forgotten in prayer.

As a guide for using the Prayer Cycle, if you are praying on Tuesday 10<sup>th</sup> July your prayers should include the Village shop [from the Monthly Cycle] and St. Michael's Bell Ringers [from the Weekly cycle]. The following Tuesday (17<sup>th</sup> July) you will again pray for the Bell Ringers [from the Weekly cycle], but this time also include the Book Stall [from the Monthly cycle].

If we have omitted a group, that you think needs including, please let us know, and also come back to us if you have suggestions as to how we can improve this.

## **24/7 Prayer for High Wycombe**

With the holiday season almost upon us, and a combined July/August Outlook eager to go to print, it's time to keep you up to speed with our prayer days for the next two months. Our chosen day in July is Thursday 12<sup>th</sup>, and in August is Thursday 9<sup>th</sup>. The Prayer Room will be set up in Church House and runs from 8 am on Thursday to 8 am on Friday. Tea and coffee are always available in the kitchen if you wish for a hot drink before you leave. The sign up sheet will be on the table at the back of the church in plenty of time, and the combined Prayer Points for July/August will be available the first weekend of the month. Prayerfully consider signing up for an hour, or part of an hour, of prayer for High Wycombe and all the ministries that take place there, and for the many people involved in them.

On Saturday, 7<sup>th</sup> July, there will be three hours of Wycombe Prayer taking place from 6 am to 9 am at the Pastures Church in Downley. Please watch the weekly notices for the date and venue of the August Wycombe Prayer. These take place every month for those who wish to be involved in them.

We continue to remember the Olympic Games in the Tithe Prayers in June, July and August. Remember that the Olympic Torch arrives in our area on 9<sup>th</sup> July, when it travels from Luton to Oxford and passes through Stoke Mandeville and Aylesbury. Give thanks too for the wonderful experience of joining together with 40 churches in the Wycombe area on Pentecost Sunday for praise and worship and that we were blessed with good weather. We pray that there will be many other similar occasions in the future.

Further information available from Simon (563439), Jacky (07921 258822) or Yvonne (563960).

## What equals 100% in life!

We have all been in situations where someone wants you to give 100%, What equals 100% in life?

How about achieving 101%

Here's a little mathematical formula that might help you answer these questions.

IF

ABCDEFGHIJKLMNOPQRSTUVWXYZ

Is represented by

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26

Then KNOWLEDGE = 11+14+15+23+12+5+4+7+5 = 96%

And HARDWORK = 8+1+18+4+23+15+18+11 = 98%

With ATTITUDE = 1+20+20+9+20+21+4+5 = 100%

But the LOVE OF GOD = 12+15+22+5+15+6+7+15+4 = 101%

While KNOWLEDGE AND HARDWORK will get you close and ATTITUDE will get you there .

It's the LOVE OF GOD that will put you over the top!

**(Thanks to Sara Badrick who submitted this very interesting formula!)**

Can being a Christian answer the Big Questions of Life such as

**"Why am I here?" & "Where am I headed?"**

**This is your chance to seek these answers**

**Who is Alpha for?** Alpha is for everyone; no question is out of bounds and you are free to discuss as much or as little as you wish. We don't assume any background knowledge of, or belief in, Christianity and everyone is welcome.

**What is Alpha?** Alpha is an opportunity to explore the meaning of life in an informal, fun and friendly environment. The Alpha course consists of a series of talks, looking at topics including 'Who is Jesus?' and 'Why and how do I pray?'

We meet on Wednesday evenings for 11 weeks, and each talk on DVD is followed by discussion in small groups.

You don't have to come to the whole course – just come along for the first session, where we have a meal together, and see what you think. No pressure.

This Alpha Course starts on Wednesday 19th Sept 2012 at 7.30 pm in Church House (The building alongside St Michael's Church Hughenden.)

## JC Club Update

You will be pleased to hear that JC Club activities continue to take place every Sunday morning during the 10.45 service, and the CYFA and D-CYFA events occur regularly on Sunday evenings. We regularly welcome new members, as new families join the congregation, and also – really rewardingly – as JC Club members bring their friends along with them!

We aim to nurture children's Christian development 'from cradle to uni and beyond', so try to ensure that as they grow and learn, they progress smoothly through groups, whose activities match their abilities and needs. Running groups that can fulfil the varying needs of children from Nursery to A Levels and beyond, means that we need a variety of different formats and use materials relevant to each age group.

Our current challenge is that, as a result of the numbers of children in certain age groups at the moment, we need at least three more people who would be prepared to take on the role of the 'Leader', with the assistance of another adult helper. This Leader role involves a review of the material contained within the published booklets provided for the age-group concerned; deciding which of the selection of activities suggested they are most comfortable presenting; gathering/preparing the necessary materials (cost of materials can be reclaimed from Church funds) and then, assisted by their helper, leading a group of no more than 10 children as they complete the activities on 2<sup>nd</sup> /3<sup>rd</sup> /4<sup>th</sup> Sundays for one month each term.

The members of the Youth Task Group are responsible for ensuring that all Leaders are resourced and supported in their role, and of course that any training, help and guidance is provided, if necessary.

**NEWS FLASH** – from October we will be welcoming a Trainee Youth Worker to join us for 10 hours a week as part of his Youth Work degree course.

**Jane Tucker – Youth Task Group**

## July Recipe

### Peaches in Grape Juice and Honey

*This is a recipe I made up some years ago – it is still a favorite with my sons and daughter, if they come for a meal. I notice that the shops have started to get peaches in again, mostly from the continent but they are delicious when cooked in this way.*

#### **Ingredients for Six People**

6 large ripe peaches  
2 tablespoons of runny honey  
½ a lemon, squeezed  
1 litre of red grape juice

#### **Method**

Wash the peaches and place in a saucepan of boiling hot water for a few minutes until the skins will peel off easily. Save a cup full of the water they were left in, as some of the peachy flavor that comes from the skins is retained in it. Plunge the fruit in cold water so they are cool enough to handle. Place on a cutting board, take off the skins and any bruised parts and then cut them in half. Remove the peach kernels and then cut the halves again so there are four pieces to each peach. Return to the saucepan with the saved water, add the grape juice and the honey and lemon juice. Simmer gently until the juice and honey have become really syrupy. Divide between six pretty glass dishes and serve with either whipped cream or yogurt or crème fraîche - what ever you fancy!

*I hope you enjoy making it as much as I do.*

**Ann Way**

# FLOODLIGHTING DEDICATIONS

Floodlighting dedications received too late for the June magazine were :

17 – 23 June

Phil Howland was remembering with much love his wife Margery, particularly on 12 June, her anniversary.

Len Rickards was remembering with great affection his devoted wife, Val, especially on 22nd June, her 1st Anniversary.

Dedications for July and August are for:

1 – 7 July

Christine Powell is remembering her beloved Eric especially on July 1st - their Ruby wedding anniversary. Also July 16th – Eric's birthday

8 -14 July

Florence Pinfield is giving thanks for 31 years of marriage to her dear husband Michael, which they will celebrate on 11 July.

5 – 11 August

Stan Cole is remembering with much love his wife June, particularly on 5 August which would have been their Diamond Wedding anniversary.

If you have special occasions to mark, why don't you dedicate the flood-lighting? Your dedication can be for anything within reason, remembering loved ones, birthdays, anniversaries, weddings, new babies - or just for the joy of being alive!

**Lin Smit**

## **A “MONDAY’S CHILD” OF PLACE**

*We stop south of Newtown,  
where sheep, surprised, take flight.  
Absorbed, we feast upon the sight.*

*This is the land I love;  
where golden galleons sail eye high  
and bare-back mountains leap to touch the sky.*

*Few and far between,  
farms in folded hills escape time’s gaze;  
lush the grass and plump the sheep that graze.*

*This is Fairyland;  
the spoilers have not come  
and country names still trip upon the tongue:*

*“Kerry”, “Cilfaesty”  
“Felindre”, “Beguildy” .....  
sweet music that beguiles.*

*On this quiet land God smiles;  
a “Monday’s child” of place,  
blest-born and fair of face.*

## Mothers' Union Meeting 8<sup>th</sup> June

At our June meeting we were given a real treat, when our friend Judy Wilson gave us an extremely knowledgeable talk on Jane Austen. Judy has been a devotee of this brilliant author for a long time, and has attended several courses to study her background, and her inspiration to write. She was born in 1775, daughter of a rector, with very little money, died probably of lymphoma in 1817, aged just 41; and was buried in Winchester Abbey. She had a love of writing from a child, but did not have any books published until later in her life. Northanger Abbey and Persuasion were published after her death. For all her romantic stories, Jane herself had just 2 romances, but never married.

This was a very interesting talk and gave us great insight into an author, whom we all know and love, but know very little about; thank you so much Judy.

We enrolled yet another member at this meeting, which brings us to a total of four new members this year, which is very encouraging. I thought some people, who may not know much about our organization, might like to know our Purpose, Aims and Objects:

The PURPOSE of the Mother's Union is to be specially concerned with all that strengthens and preserves marriage and Christian family life. The AIM of the Society is the advancement of the Christian religion in the sphere of marriage and family life. In order to carry out its Aim, its OBJECTS:

To uphold Christ's teaching on the nature of marriage and promote its wider understanding.

To encourage parents to bring up their children in the faith and life of the Church.

To maintain a worldwide fellowship of Christians united in prayer, worship and service.

To promote conditions in society favorable to stable family life and the protection of children.

To help those whose family life has met with adversity.

Future dates:

July 3rd Right Royal Ploughmans - to be held in MU garden and Church House , 12 o'clock, with a Bring and Buy stall.

August 7th MU coffee morning 10am for members.

August 15th Outing to Dorchester Abbey.

## **Wycombe Women's Aid – can you help?**

WWA has lost its home as a result of the closure of The Priory Centre. Wesley Methodist Church has provided some space, but the real need is for an anonymous venue which is available 24/7. Possible premises have been identified, but WWA needs £5,000 to fund necessary building alterations, without which it will be homeless. Ruth Richey, Wesley's Deacon, and Pastor to all involved in WWA, has asked if we, as individuals, would make one-off donations to help meet these costs.

If you can help, by giving even a small sum please send it to Deacon Ruth Richey, 9 Rye View, High Wycombe, HP13 6HL or c/o Wesley Methodist

## **Hughenden Valley Community Shop Needs YOU!!**

**What?** - Hughenden Valley Community Shop, is a shop for the community run by community volunteers, and hence just needs to cover its costs.

**Where?** - Hughenden Village Hall car park

**Who?** - Anyone in the community, who would like to have fun, gain job satisfaction, get to know more people and feel that you belong in Hughenden. No retail skills necessary, just a welcoming smile and experience of life! Full training in stock replenishment and taking payments will be given.

**When?** - Whenever you are free within the shop's core hours, as often as you want, and fitting around existing commitments.

**How?** - Call Louise on 01494 564244 or 07909 527990

## Good Companions

Our June meeting featured a return visit from Lois Crane, now retired from her school teaching days, who set us a test mainly concerned with events and personalities of the reign of Her Majesty Queen Elizabeth the Second.

How many Prime Ministers had she seen, and could we list them in order of taking office; when was she born; and what were her full Christian names? What was the year she married Prince Philip, what years were Prince Charles and Princess Anne born, and in which year did Princess Margaret and Queen Elizabeth the Queen Mother die? What name did her father take, and in which of the armed services did she serve during the war? Which previous monarch had reigned for longer than the Queen so far; how many predecessors has she had, and how many Archbishops of Canterbury have there been during her time on the throne?

Readers may like to test their own powers of recollection. There were also questions about the Queen's first visit to High Wycombe, and finally, requiring us to 'do our sums' involving the pre-decimal currency. Our thanks to Lois for an interesting topical and also brain taxing 'quiz' and pleasant afternoon.

Our July meeting has Rita Trigger on the subject of exercises, and in August we will be having our usual 'picnic in the village hall'. Would be entertainers kindly note – get rehearsing now!

## Friendship Morning

This is a get together in Church House on the 3<sup>rd</sup> Thursday each month at 10.30 a.m. It is primarily for those who are bereaved, who live on their own, and for those who are lonely. The emphasis is very much on companionship, and the atmosphere is light and cheerful. Please contact me if you think this is for you.

## **THE DORCAS PROJECT**

Last summer the Dorcas Project ran a mini project called 'Back to School'. They offered packs of new school uniform basics to vulnerable children in primary and middle schools. They received referrals from health and social workers, children centres and probation services. In total they gave out 75 packs and had some very positive feedback.

This year they have already started to get enquiries as to whether they are planning to run the project this summer and they have decided they will. However, they are very much aware that they will get substantially more referrals this year, taking into account the increases they have seen in all areas of Dorcas. They expect that last year's figure will double and will result in approximately 150 packs being required.

They have requested help from churches in the Wycombe area and have issued a flyer, which includes a 'Wish List'. These you will find on the table at the back of the church. Prayerfully consider if it is possible for you to contribute in any way to this very worthy cause. Anything you feel able to give can be left at the office of Holy Trinity Church on the Amersham Road; bearing in mind that their office is open mornings only. I make fairly regular trips to drop clothes in at the church, and am happy to take anything you feel able to give, to help this mini project be the success the Dorcas Project hopes it will be.

## **A big 'Thank You'**

I would like to thank the two gentlemen who helped me with my wheel puncture on Sunday 18 May. I stood by and felt very humble as these two people, who I don't know, knelt down, jacked up my vehicle and changed the front wheel.

Also I would like to thank Rita Pulley for her concern. God bless them all.
